CIRCULAR: GRADE NURSERY (Enrichment for April & May)

Dear Parent,

Greetings!

We at Mount Olympus believe in student centered learning which is based on the needs, abilities, interests and learning style of the students. The teachers as facilitators not only provide the learning environment within the classroom but help take their flight of imagination to infinity and beyond.

We are pleased to announce the start of **Enrichment Activities** based on the learning beyond the four walls of the classroom from the month of April and May. These enriching classes would be held on Friday mornings as a part of Academic Learning.

Taking it forward, the Enrichment learning for the month of April & May has been based on **Social Etiquettes**. The plan for the activities spread out over April and May is as follows:
